Over the next 3 years, CSH will prioritize **6 CRITICAL SECTORS** and develop the multi-sector leadership and capacity needed to scale investment in supportive housing.

- 1 Health care 
- 2 Justice 
- 3 Families, Youth and Children 
- 4 Aging 
- 5 Intellectual and Developmental Disabilities 
- 6 Affordable Housing 

CSH sees **3 KEY DRIVERS** that strengthen our approach and help us achieve more real and lasting impact:

- 1  A Racial Equity Framework
- 2  A Focus on Thriving.
- 3  Harnessing Data to Generate Results.

We are calling out **3 CORE FOCUS AREAS** that will help us capitalize on our strengths and serve as a benchmark for our success:

- 1  Scale Multi-Sector Leadership and Investment
- 2  Advance High-Impact Solutions
- 3  Expand Organizational Capacity.

CSH is a touchstone for new ideas and best practices, a collaborative and pragmatic community partner, and an influential advocate for supportive housing

Strengthening Adult Redeploy Through Housing:

*Supported through The Chicago Community Trust Housing +
Justice Grantmaking Cycle*

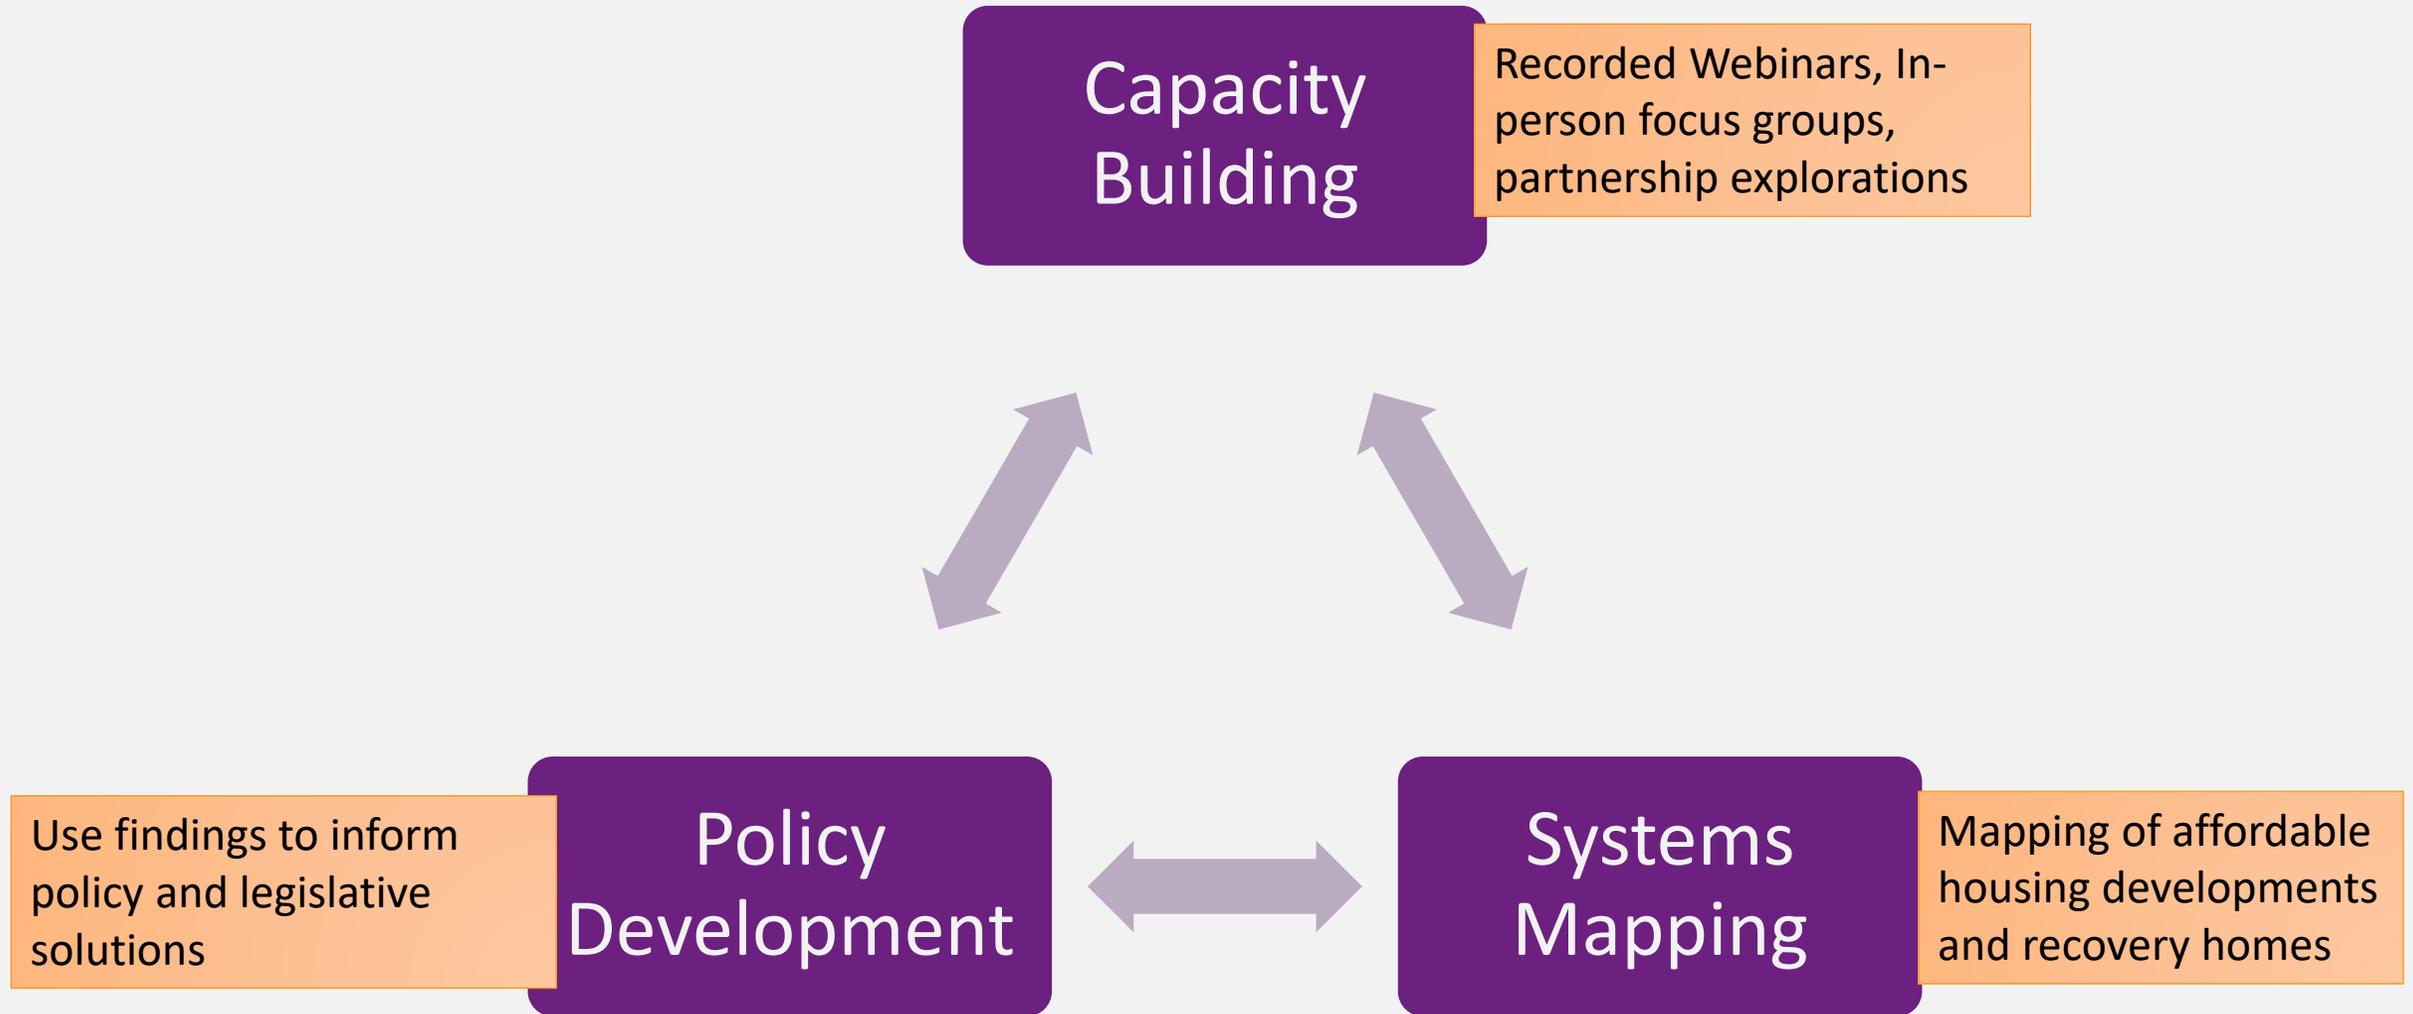

Expanded housing will improve, strengthen programs

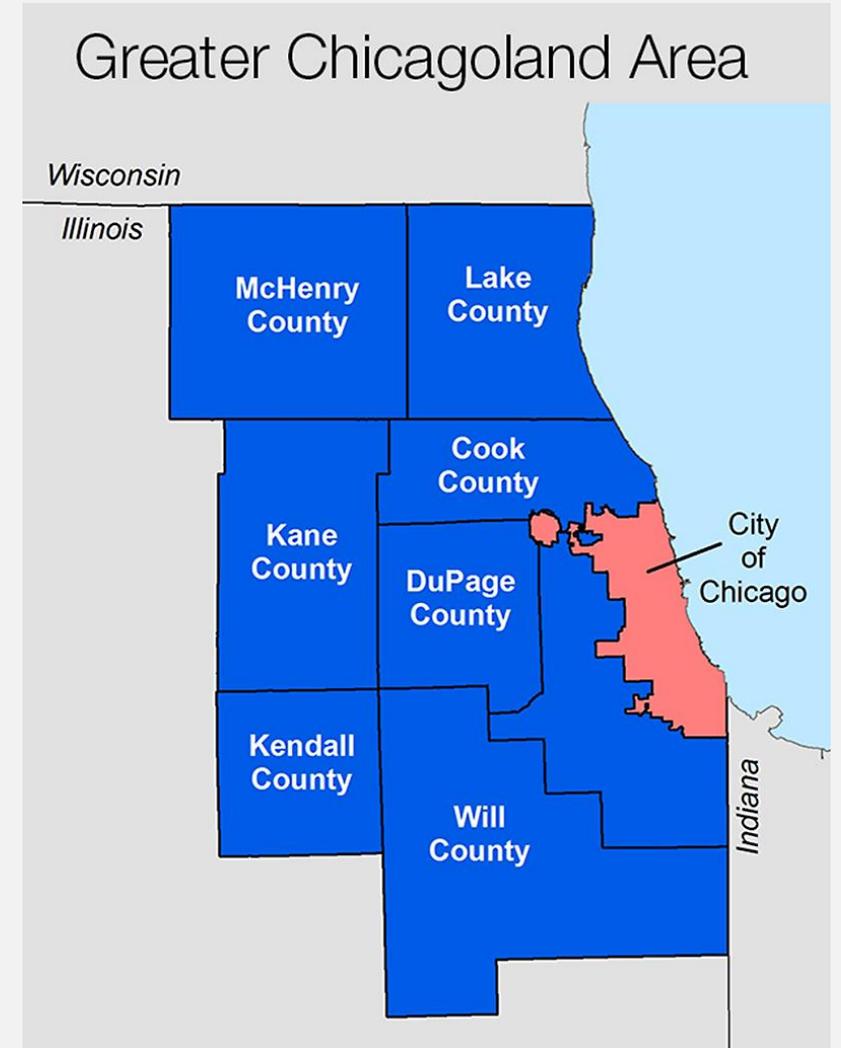

From the Interactive Site Report Session at the May 2018 All-Sites Summit

Housing + Justice Planning Project

What we were hoping to learn and influence?

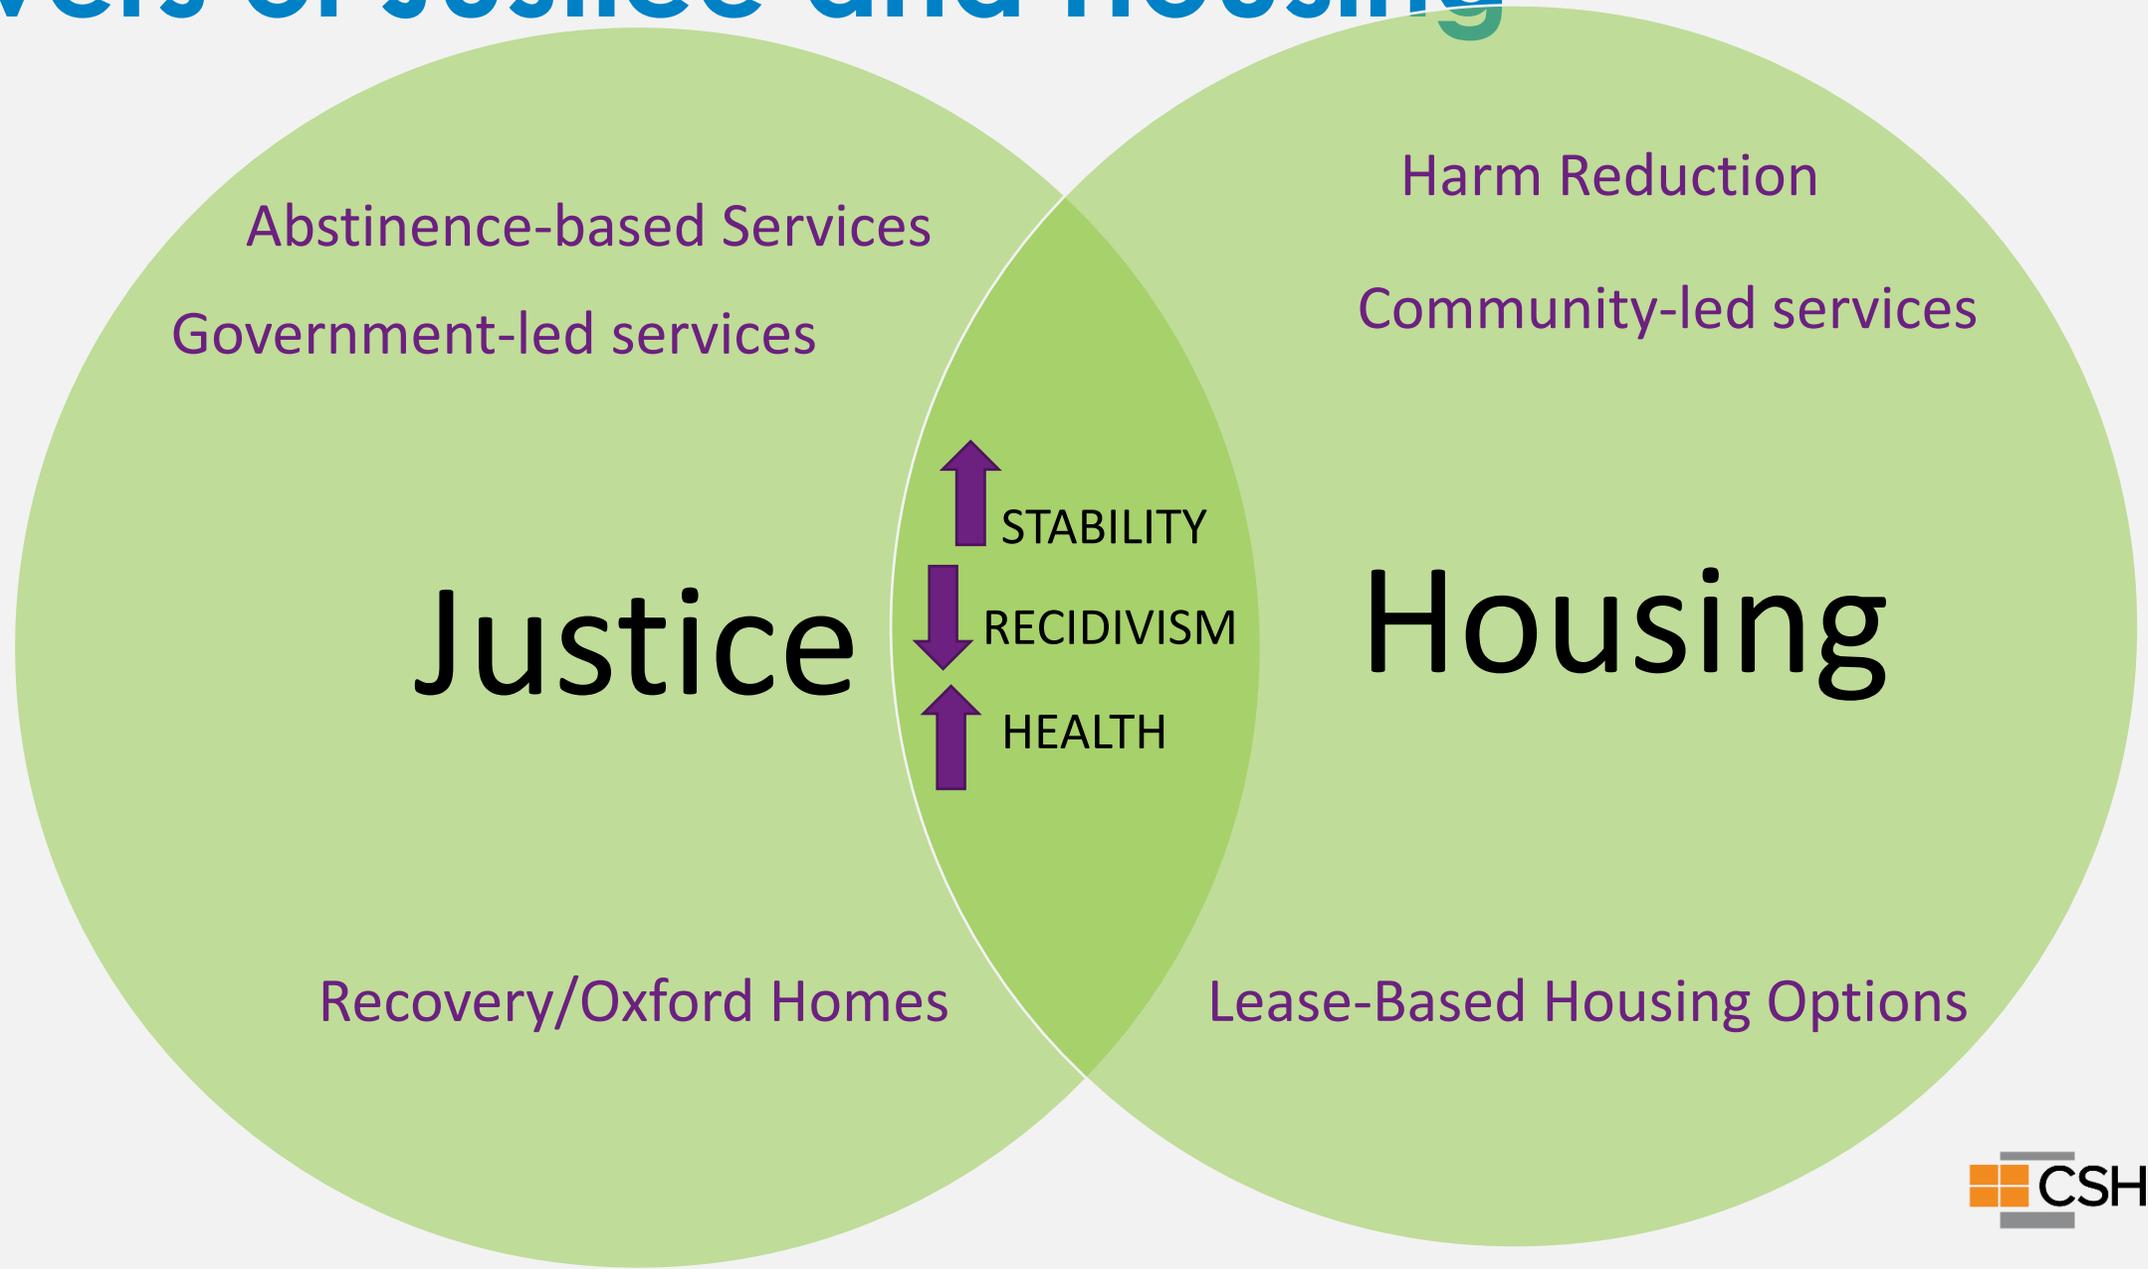

- Selected 4 locations in Northeast Illinois – Kendall, Lake, DuPage, and Will Counties
- Explore the intersection of ARI Participants and their needs through a housing and services lens
- Foster and inspire partnerships and resource connections at the community level

Findings and Observations

Drivers of Justice and Housing

DuPage, Will, Kendall, Lake

Familiarity with Continuums of Care

Most sites lack strong knowledge of Continuums of Care (CoC) and related Coordinated Entry Systems.

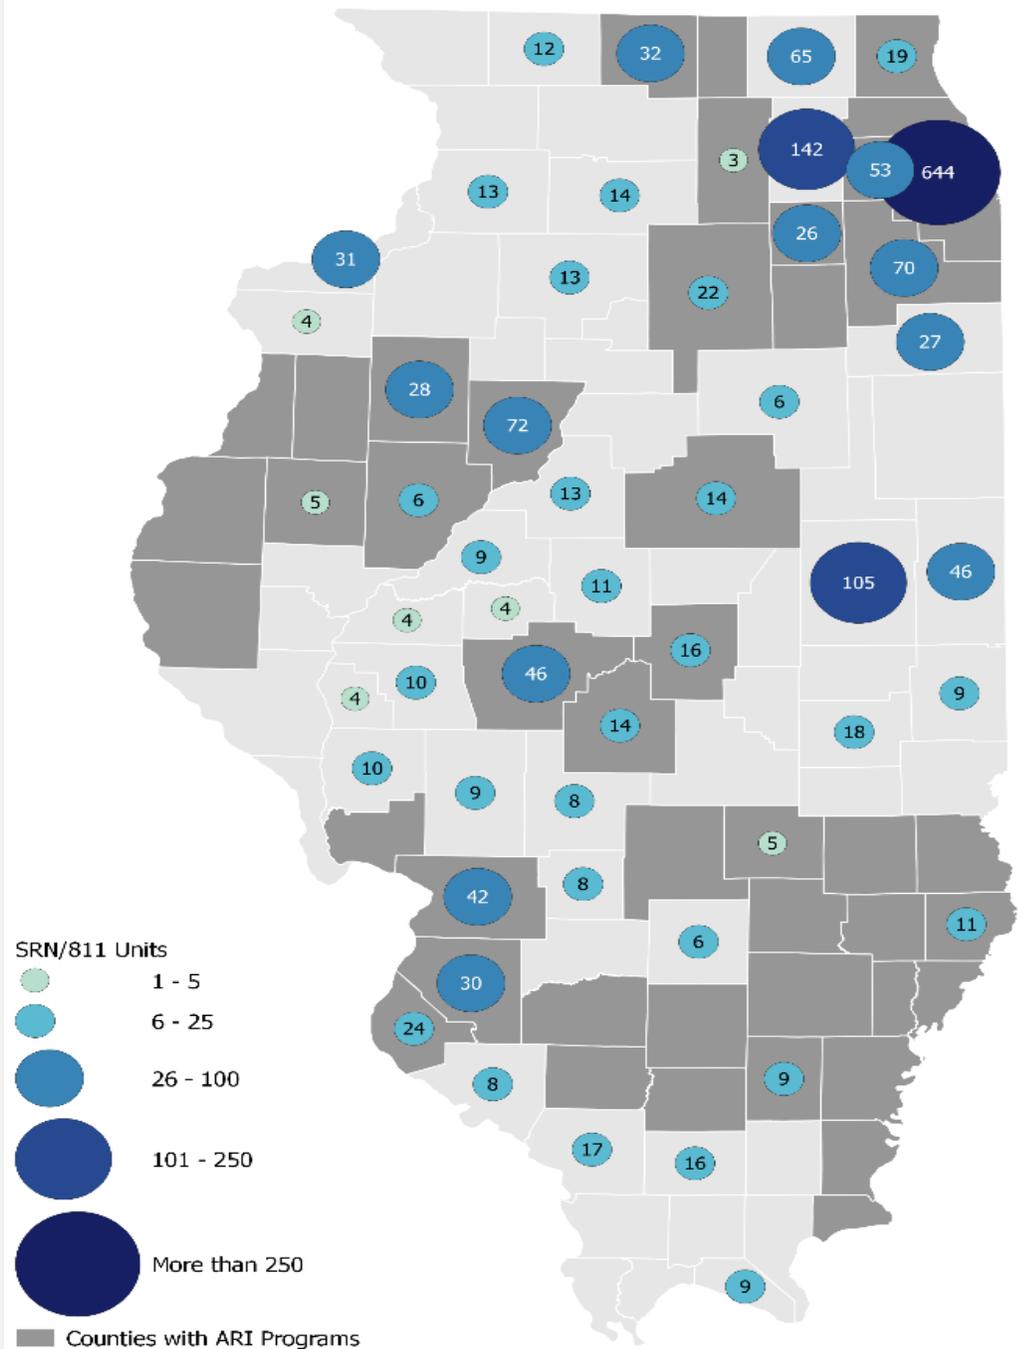

Familiarity are you with the Statewide Referral Network, Rental Housing Support Program, and Statewide Homeless Prevention Funds

Statewide Referral Network and Rental Housing Support Program are state-funded initiatives to provide affordable rental housing throughout the state. These pathways focus on people at or below 30% of the Area Median Income

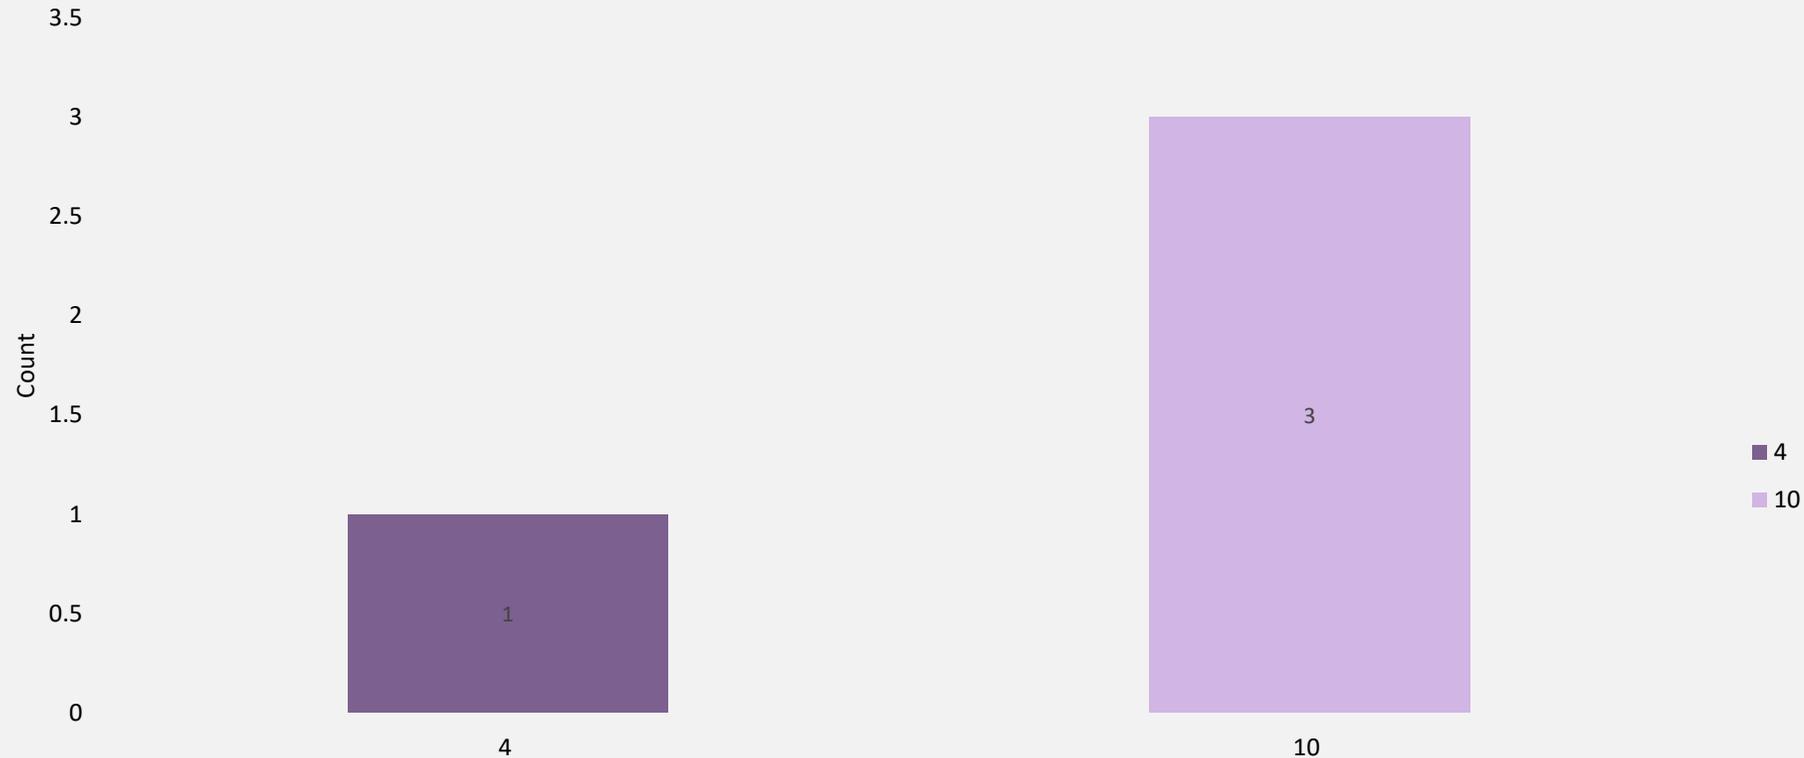

Illinois SRN & 811 Units with ARI Sites

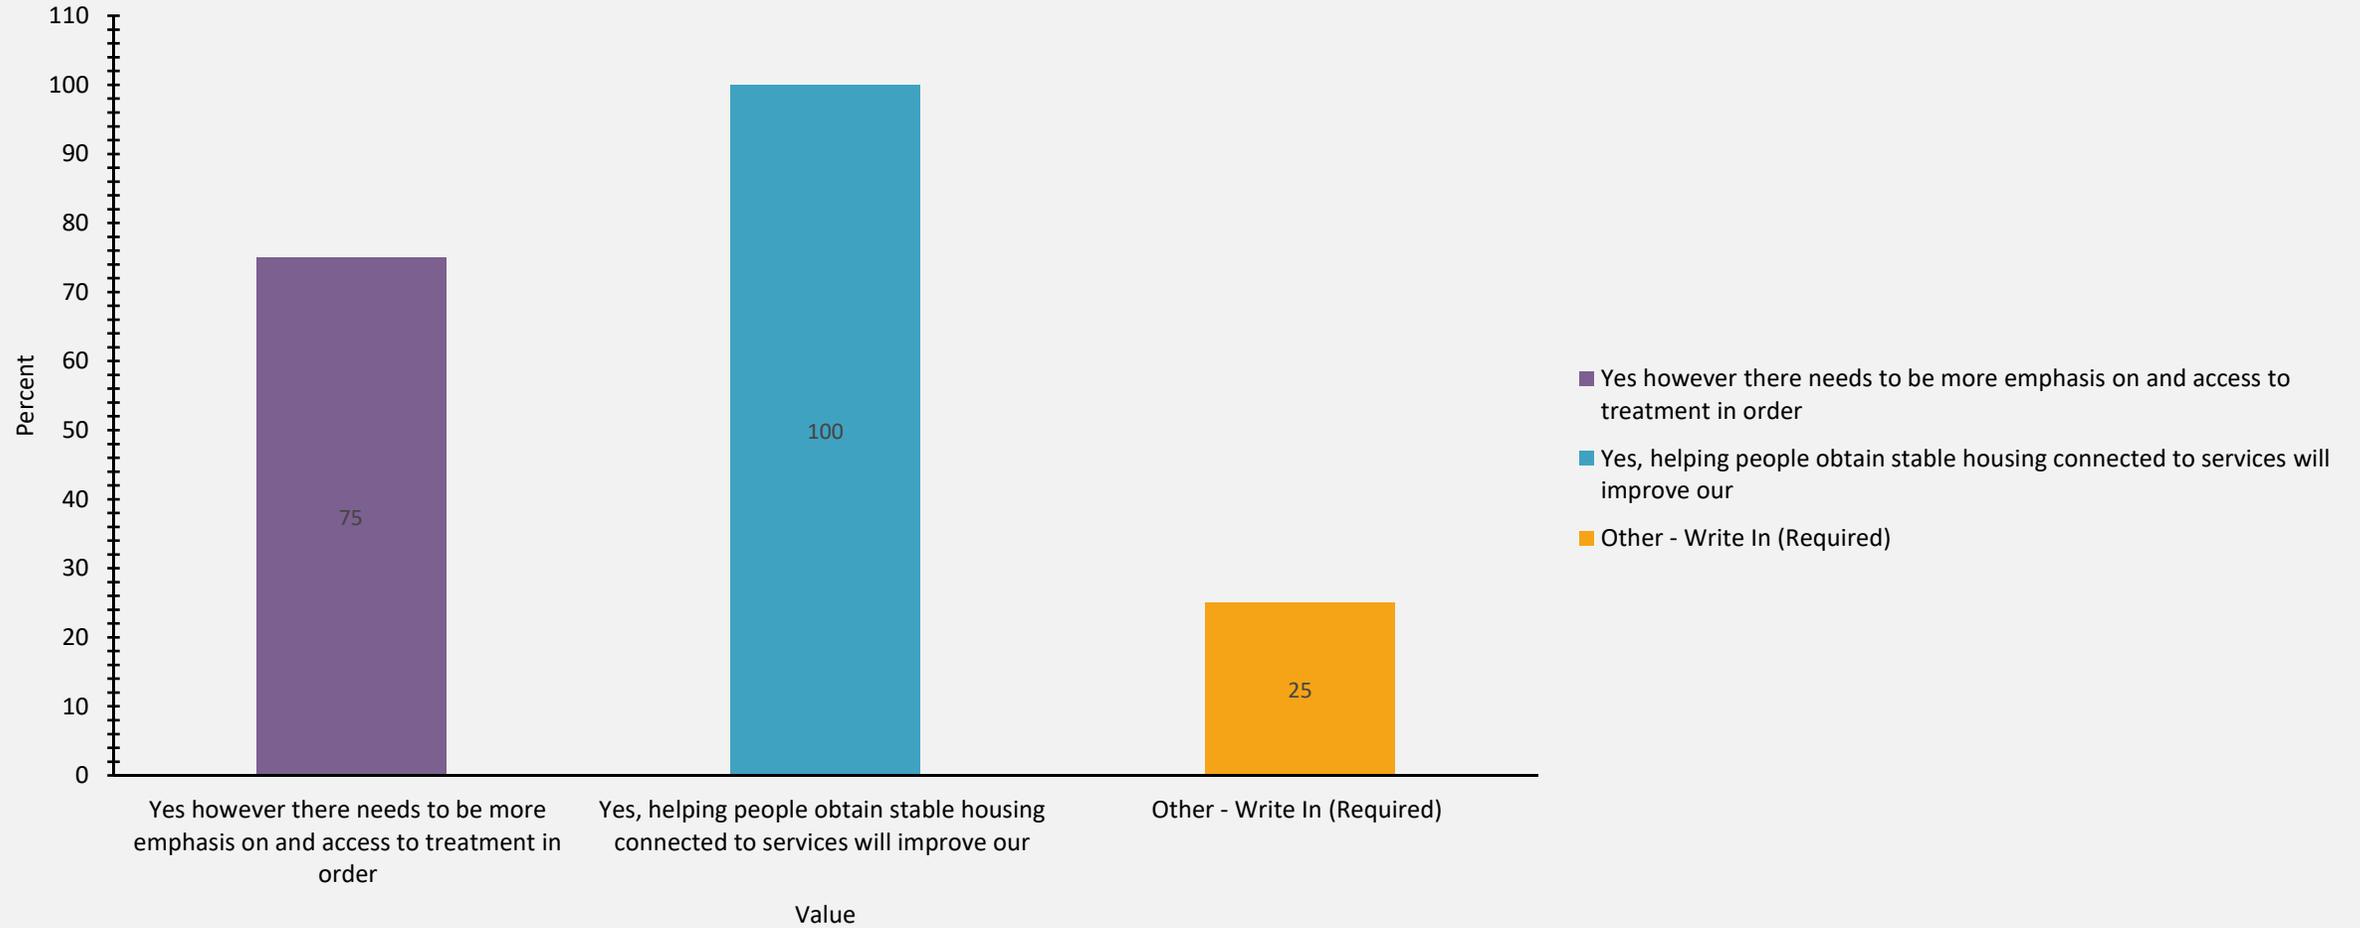

Familiarity with HUD 811/Non-Elderly Disabled Rental Assistance

Only one community was familiar with this resource. Public Housing Authorities are able to apply for rental assistance to serve for people with disabilities (including substance use) who are at-risk of going to an institution without community-based housing

Familiarity with this Housing Resources – Low=Familiar; High=Not Familiar

9.If you were to choose, do you think that your ARI site should be more involved in helping people with their housing?

Focus Groups

Housing Challenges for Program Participants

Limited Options

- During and after treatment
- Residential sites outside footprint of county
- Transportation to and from settings outside of the county

Range of Supports

- Interventions needed that allow families to stay together
- Housing clients with Serious Mental Illness – including those released from jail *with no place to go*

Gaps in Access

- Serious Mental Illness – including those released from jail *with no place to go*
- Shelters have restrictions and can bar people from entrance

Services

Not enough services in the community – *Can be competitive*

Current Funding for Residential Supports

\$1,200.00 Per Month

Recovery Home or

\$14,400.00 ANNUALLY FOR
RECOVERY HOME (LAKE CO.)

\$7890 Per month for
Treatment or **94,680.00**
Annually

\$4,800.00 on Treatment
(DuPage CO.)

\$12,000.00 Per Month

Expand partnerships/explore other housing interventions

- Assess housing needs during and after treatment
- Access Continuum of Care and Coordinated Entry housing assessments for homeless and at-risk
- Develop long-term relationship with local Public Housing Authority
- Consider redirecting funds for Rapid Rehousing models

Housing + Justice Program Data

Returning Home Ohio and Community Transition Program

Short and Long-term Rental Assistance with Services, Voluntary Services, for people with Mental Health, Substance Use, or Chronic Health

93% avoided recidivating; 87% exited to stable housing;

Intervention cost is roughly \$10,000 per person

Chicago Cook County Flexible Housing Pool

Supportive housing for people touching homelessness, health, and jail

Goals are housing stability, decrease ED visits, decrease jail

Intervention cost \$24,000/year -

LA County Jail In Reach Program

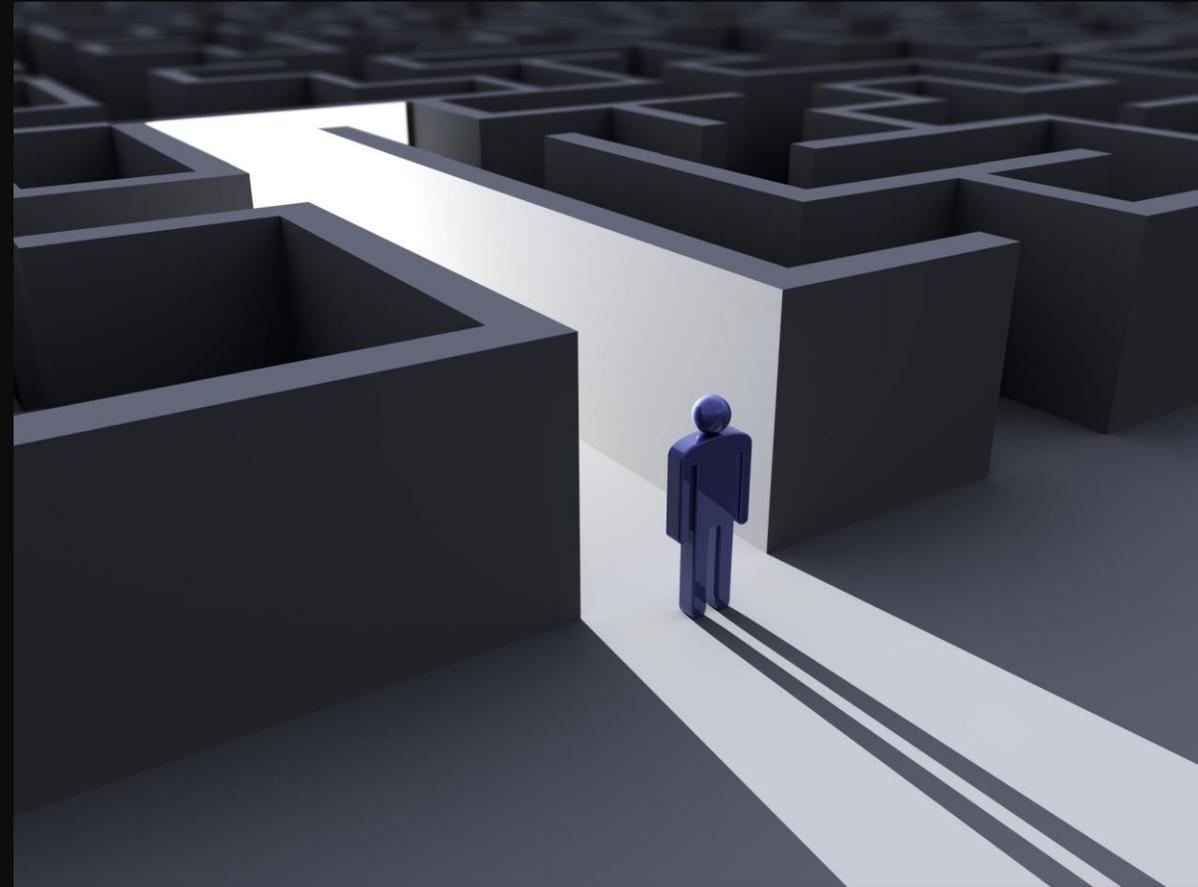

All inmates experiencing homelessness; offers Rapid Rehousing and supportive housing

Reduced recidivism and homelessness, increase health and employment

Initiated through county revenue now funded through special tax

The ask – empowered to be bold enough to think outside the box – get motivated

- Join reentry discussions – so there is advocacy for diversion/prevention as well as reentry
 - Look for other ways to Advocate
 - Become a member of the Continuum of Care (CoC)
 - Develop long-term relationship with local Public Housing Authority
 - Consider redirecting funds for Rapid Rehousing models
-

Future Policy Solutions to Support ARI

- Expand state FUSE Legislation (Frequent Users of Systems Engagement) Public Act 100-0575 to include prison-diversion referrals in addition to prisoner reentry support and attach funding to this legislation for coordination, services, and rental assistance
- Request special appropriations for the Adult Redeploy Illinois to fund both short-term and multi-year rental assistance supports with associated services for participants and study the impact on metrics as well as process outcomes. Include local partners with demonstrated experience in delivering housing programs
- Request IHDA to create Special Purpose Local Administering Agencies for the Statewide Rental Housing Support Program to provide rental assistance to people at-risk for institutional care including prison diversion/jail diversion
