

# **IIJIS History & Current Status**

**Lori G. Levin**

Executive Director, Illinois Criminal Justice Information  
Authority

**Hon. Dorothy Brown**

Clerk of the Circuit Court of Cook County

## **Executive Order No. 12 (2001)**

- Established the IIJIS Governing Board.
- Governing Board was charged with:
  1. Identifying all justice information systems in Illinois and
  2. Developing a Strategic Plan for justice integration.

# IIJIS Strategic Plan

- Introduced justice systems integration to Illinois stakeholders and practitioners
- Outlined strategic goals to address challenges confronting integration
- Included the Scenario for Information Sharing and the Gap Analysis
- Identified 7 Strategic Issues

# IIJIS Strategic Plan (continued)

## Seven Strategic Issues

1. Establish a governing body
2. Electronically collect and share justice information
3. Develop privacy guidelines that meet justice system needs
4. Coordinate integration resources
5. Establish data sharing and infrastructure standards
6. Develop a secure, reliable, and efficient IT infrastructure
7. Establish rapid identification through biometric technologies

# **IIJIS Strategic Plan** (continued)

## **Scenario for Information Sharing in Illinois**

- Identified the future functions and exchanges of information that should take place throughout the justice enterprise

## **Scenario Gap Analysis**

- Existing justice information systems were validated against this scenario to identify the gaps which exist today.

# IIJIS Strategic Plan

The IIJIS Strategic Plan  
was submitted to the  
Governor on  
December 23, 2002

Available on the IIJIS Website at:

[www.icjia.state.il.us/ijis/public/pdf/strategicplan\\_final.pdf](http://www.icjia.state.il.us/ijis/public/pdf/strategicplan_final.pdf)

## **Executive Order No. 16 (2003)**

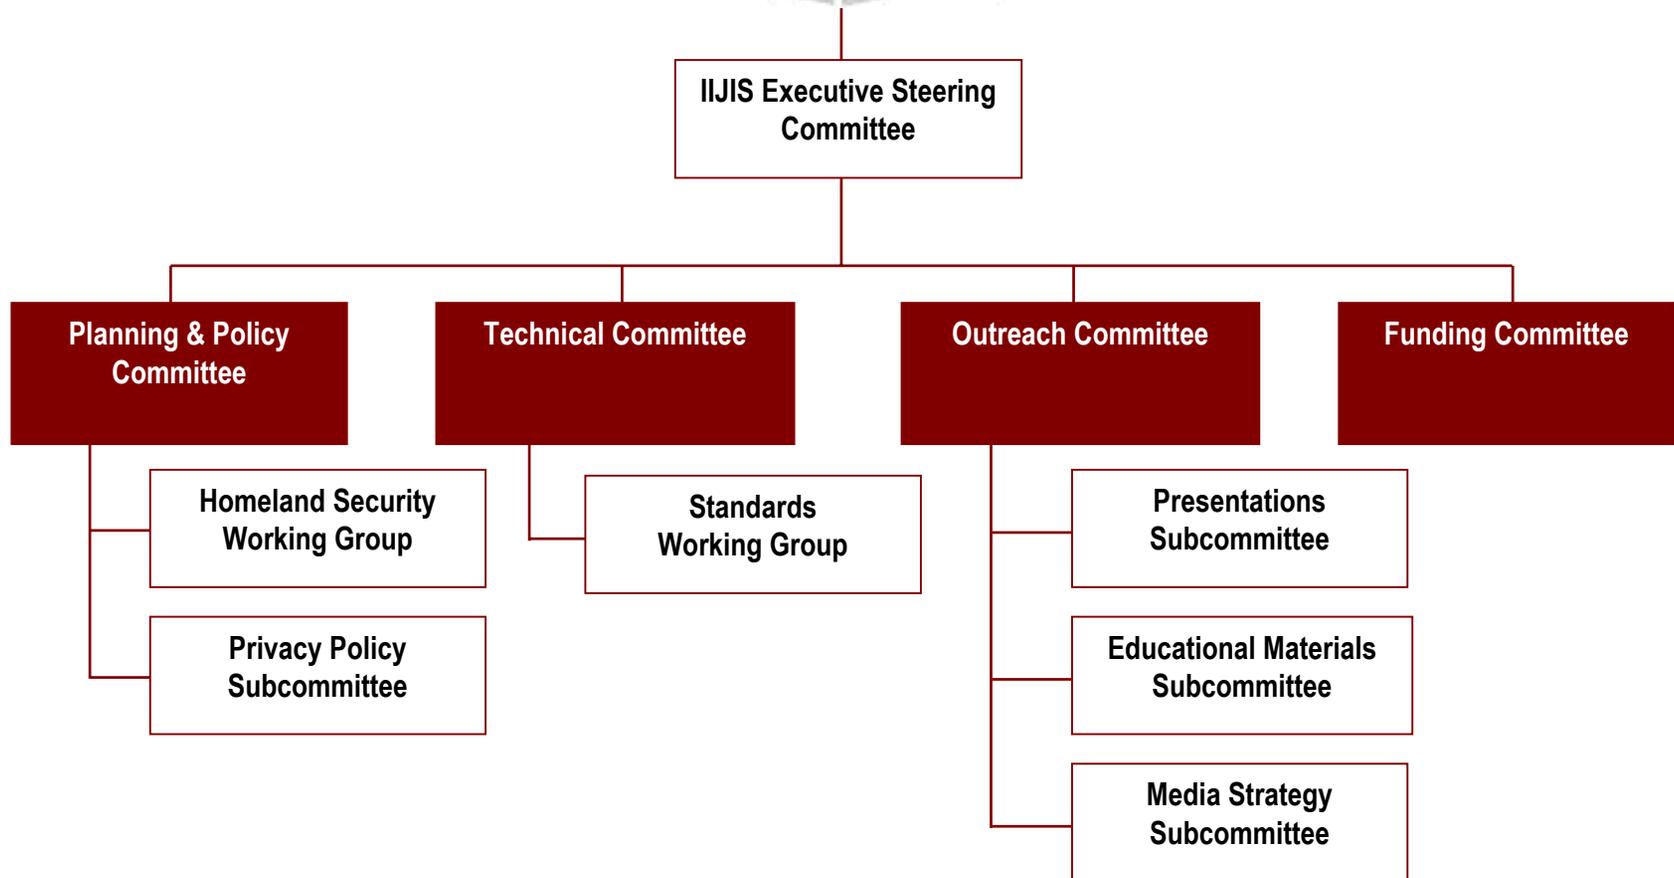

- Established the **IIJIS Implementation Board**
- The Implementation Board was charged with:
  1. Addressing the challenges identified in the IIJIS Strategic Plan and
  2. Setting goals and objectives for future justice information systems

# IIJIS Implementation Board

## Activities

- Coordinating the **development & implementation of plans** designed to make justice information readily accessible to practitioners
- Investigating **standards** that facilitate the electronic sharing of justice information
- Developing **privacy policies** related to the sharing of justice information

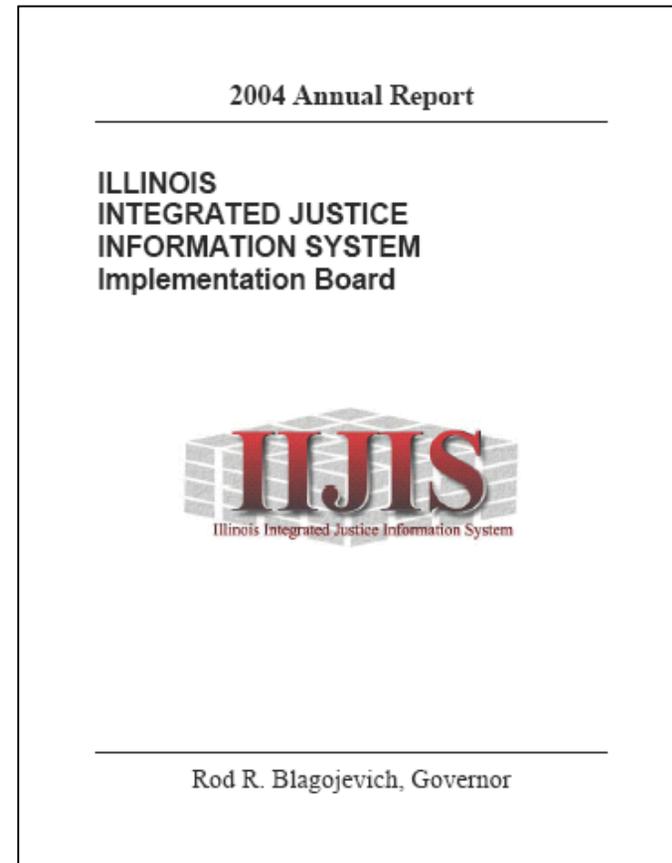

# 2004 IIJIS Annual Report

## Reports steps toward developing:

- Homeland Security Scenario
- Privacy Policy Guidance
- Technical direction for integration
- Outreach presentations, publications, and strategies

Available on the IIJIS website at:

[www.icjia.state.il.us/ijis/public/pdf/ijis2004annualReportFINAL.pdf](http://www.icjia.state.il.us/ijis/public/pdf/ijis2004annualReportFINAL.pdf)

# Technology Assistance Report

Included recommendations in four subject areas:

1. Governance structure
2. Detailed planning
3. Role definition
4. Project management

Available on the IIJIS website at:

[www.icjia.state.il.us/iijis/public/pdf/IMB/IIJIS\\_technicalAssistanceReport\\_08172004.pdf](http://www.icjia.state.il.us/iijis/public/pdf/IMB/IIJIS_technicalAssistanceReport_08172004.pdf)

# Report Recommendations

## Governance Structure

- a) Increase the judiciary's role
- b) Enhance the executive steering committee's role
- c) Develop an operational committee that focuses on justice operations and business requirements

## Board's Responses

- a) Coordinating with judiciary branch
- b) Executive steering committee empowered to make *operational* decisions
- c) Workgroups will address specific business case issues

# Report Recommendations

## Detailed Planning

- a) Conduct a Justice Information Exchange Model (JIEM) analysis of state-level data exchanges
- b) Identify operational needs develop solutions to meet those needs
- c) Create a detailed set of technical standards and business rules

## Board's Response

- a) Began development of tactical plan to bring the initiative into the implementation phase
- b) Develop plans to meet the needs identified during the *Scenario Gap Analysis*

# Report Recommendations

## Role Definition

- a) Clearly define the state and local roles
- b) Focus on fostering those key state-level data exchanges that impact subject identification, status, and history information

## Board's Responses

- a) Adopted the report's recommended role definitions
- b) Use the role definitions to frame business requirements that make up the tactical plan

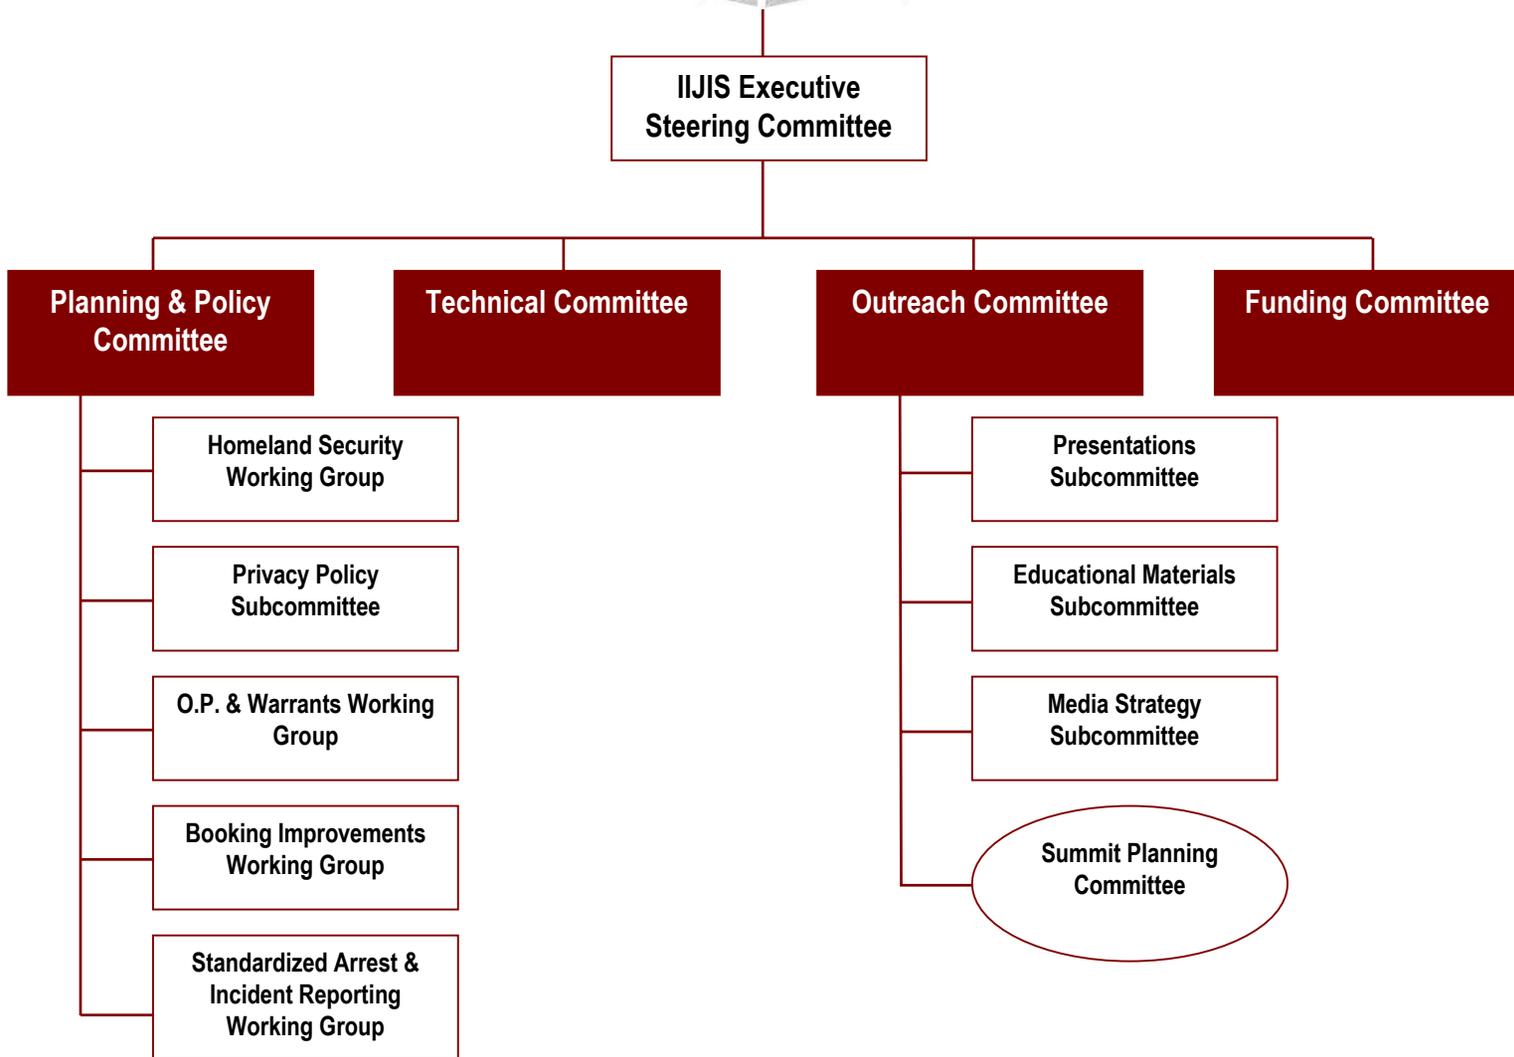

# Report Recommendations

## Project Management

- a) Develop a program management office (PMO) to assist in the Tactical plan's development and implementation
- b) Coordinate and monitor the progress of statewide integration projects

## Board's Responses

- a) The IIJIS initiative already had a PMO in the form of IIJIS staff
- b) Staff would perform PMO functions as outlined in the report

# 2005 IIJIS Annual Report

- Concept of Operations for an Illinois Homeland Security Scenario
- Methodology for the review & adoption of standards
- Issues to be addressed by the IIJIS Privacy Policy were identified

Available on the IIJIS website at:

[www.icjia.state.il.us/ijis/public/pdf/IMB/2005AnnualReport\\_final.pdf](http://www.icjia.state.il.us/ijis/public/pdf/IMB/2005AnnualReport_final.pdf)

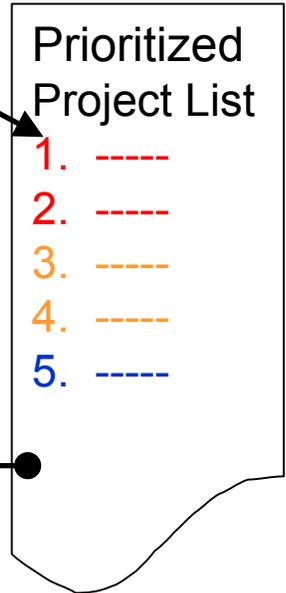

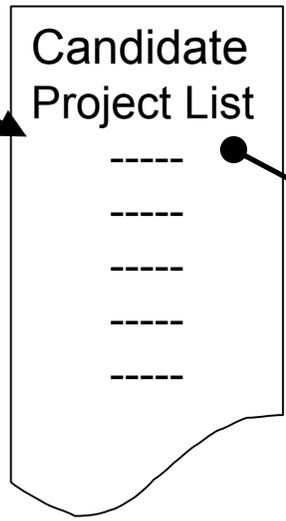

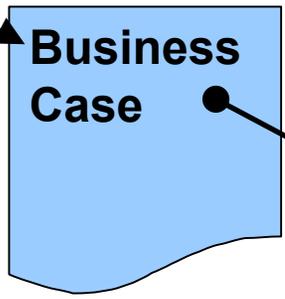

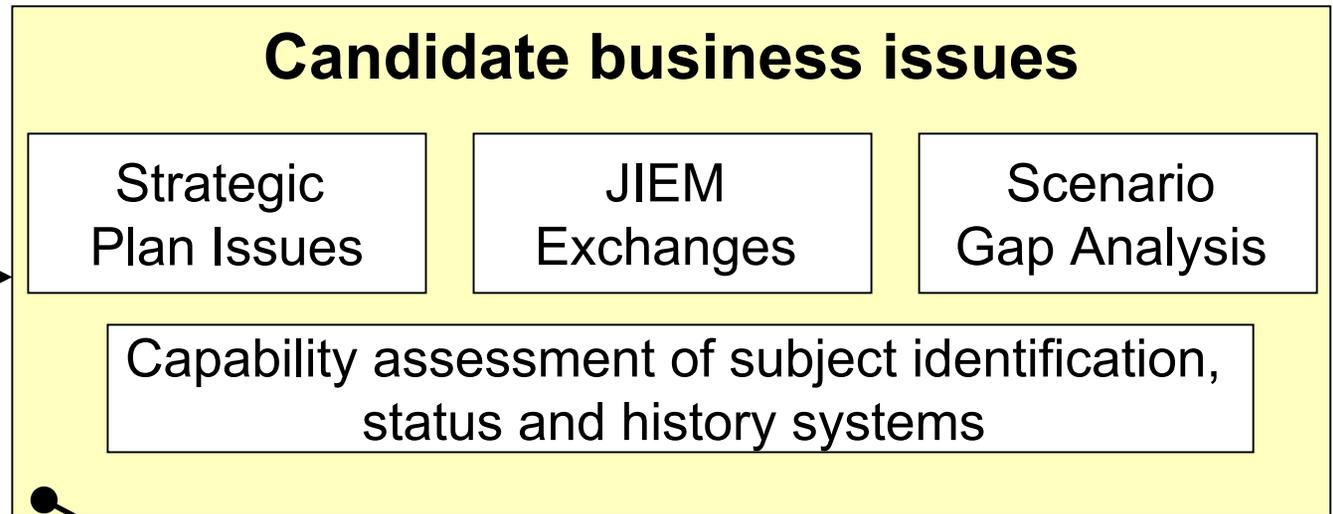

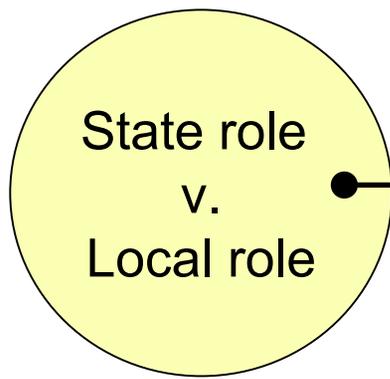

# Tactical Planning

## Components

1. Role definition
2. Candidate business issues & justifications
3. Identifying & prioritizing projects to solve business issues
4. Implementation timelines

	Year 1	Year 2
Project 1		
Project 2		
Project 3		

# Business Case Development

Workgroups are developing Business Cases for the IIJIS Tactical Plan

## 3 Initial Workgroups

1. Warrants & Orders of Protection issues
2. Standardized Incident & Police Reports
3. CHRI/Booking & Rapsheet Improvements

## Components of a Business Case

IIJIS Business Case Template

### Strategic Business Issue

#### Work Group Membership

Chair / Co-Chair  
Additional Co-Chair  
Members

#### Current Situation

[Explain the current business processes involved with this business issue.]

#### Issues

[Explain how the current processes do not meet the business needs. Highlight any specific problems or issues (including economic ones) with current processes and identify any gaps that should be filled to better meet the business needs.]

#### Impact if Not Implemented

[Describe the impact or consequences (including economic ones) of not resolving these issues.]

#### Proposed Solution

[Provide a detailed explanation of the proposed solution.]

#### Expected Benefits

[Three primary benefit areas should be addressed: (1) how the proposed solution would improve the overriding objectives of statewide subject history, status, and identity; (2) how the proposed solution would improve the business processes and meet the business needs, quantitatively, qualitatively, and economically; and (3) whether the benefits will be felt statewide, cross-jurisdictionally, and/or across organizations.]

#### Dependencies

[Explain whether the proposed solution depends upon other business processes being modified first and whether other business processes depend upon this proposed solution.]

#### Alternatives

[Describe any alternatives that were considered by the work group including their expected benefits and dependencies.]

- Current Situation
- Issues
- Impact if not Implemented
- Proposed Solution
- Expected Benefits
- Dependencies
- Alternatives

Available on the IIJIS website at:

[www.icjia.state.il.us/ijis/public/pdf/IMB/businessCase\\_template.pdf](http://www.icjia.state.il.us/ijis/public/pdf/IMB/businessCase_template.pdf)

# **IIJIS Planning & Policy Committee**

## ***Ken Bouche, Committee Chair***

- Business Planning Work Groups
  - Arrest Booking/CHRI Improvement
  - Orders of Protection/Warrants/LEADS
  - Incident Reports/Incident Sharing
- Privacy Subcommittee
- Homeland Security Subcommittee

# **IIJIS Technical Committee**

*Catherine Maras O'Leary, Committee Chair*

- Review and approval of information exchange standards
  - Global Justice XML Data Model
  - Specifications for LEADS access
  - Specifications for fingerprint submissions
- Research on best practices for state and county-level justice integration

# **IIJIS Outreach Committee**

## ***Hon. Dorothy Brown, Committee Chair***

- Educational Materials Subcommittee
- Presentations Subcommittee
- Media Subcommittee
- Summit Planning Subcommittee

# **IIJIS Finance Committee**

## ***Marjorie O'Dea, Committee Chair***

- Seeking public, foundation, and private sources
- Will provide information clearinghouse function for county integration efforts
- Work will be driven by results of IIJIS detail planning process currently underway.
