

IIJIS IMPLEMENTATION BOARD

Created in 2003 by Executive Order No. 16, the IIJIS Implementation Board is an intergovernmental effort dedicated to improving the administration of justice in Illinois by facilitating the electronic sharing of justice information throughout the state. It is a collaborative effort charged with enhancing public safety by making complete, accurate, and timely offender based information available to all justice decision makers.

The executive order directs the Implementation Board to address the challenges identified in the IIJIS Strategic Plan and to set goals and objectives for future justice information systems. The Implementation Board promotes the electronic sharing of justice information by coordinating the development, adoption, and implementation of plans for systems designed to make justice information readily accessible to justice agencies. The responsibilities of the IIJIS Board center on promoting the integration of justice information systems and include: coordinating the development of systems that enhance integration; establishing standards to facilitate the electronic sharing of justice information; protecting individual privacy rights related to the sharing of justice information; and coordinating the funding of integration efforts.

IIJIS IMPLEMENTATION BOARD

COMMITTEES

Planning & Policy Committee

The Planning & Policy Committee is responsible for the development of strategic, tactical, and project plans that will improve the electronic sharing of critical information throughout Illinois' justice system. The committee is also responsible for the development of policies to ensure the appropriate collection, use, and dissemination of justice information.

Technical Committee

The Technical Committee is responsible for the development of data exchange and architectural standards to facilitate the development of information systems that can electronically exchange data. The committee is also responsible for lending its expertise to the Planning & Policy Committee to assist in development of strategic, tactical, and project plans.

Outreach Committee

The role of the Outreach Committee is to raise awareness of the IIJIS initiative. Specifically, the committee informs justice practitioners and the public about the benefits of developing an integrated justice system in Illinois and periodically releases the IIJIS electronic newsletter.

Funding Committee

The Funding Committee supports the development of integrated justice information systems in Illinois by identifying funding sources.
