

Illinois Data-Driven Health & Justice Conference

The Illinois Criminal Justice Information Authority and the Illinois Health and Hospital Association are pleased to invite you to the Data-Driven Health & Justice Conference **to learn from local and national experts how your jurisdictions can improve outcomes for “superutilizers,” people with mental illness and substance abuse disorders who are cycling through jail and hospital systems at great cost to taxpayers.**

Location: The Forum at Carle (Pollard Auditorium)
Carle Foundation Hospital
611 W. Park St.
Urbana, IL 61801

Date: Friday, December 9, 2016

Time: 9:00 AM – 5:00 PM

Continental breakfast will be available between 9:00-9:30 AM. Welcome and presentations will commence at 9:30 AM. Lunch will be provided.

Parking Information: Participants are encouraged to park at the Champaign County Fairgrounds (located at the corner of Fairview Avenue and North Orchard Street). This free parking is available just two blocks north of the Carle main campus. There is a shuttle that runs regularly between this lot and the main campus building. Handicap accessible parking is available in the parking garages on the main campus, for a nominal fee (\$4.00-5.00 all day); however, this parking location is limited and we respectfully request participants to utilize the Fairgrounds parking, ensuring garage access for our patients. Participants may want to allow a few extra minutes to ride the shuttle.

Please RSVP to Amanda Auerbach (aauerbach@tasc.org or 312-573-3883) to confirm your attendance. In your RSVP, please indicate your name, organization, title, and county.
