Item 1: Old Business

Chairman Simms reminded members that required trainings need to be completed by October 30, 2021.

Item 2: New Business

Chairman Sims stated that Task Force has a statutory requirement to have a report by November 1. He proposed having a preliminary report that only has a compilation of the materials submitted to date.

Chairman Slaughter offered thanks for the tremendous work conducted to date. He further noted the task force does not expire until 12/31.

Chairman Sims asked that if members wished to include any additional information in the preliminary report, that the members please submit by Wednesday at noon. He noted that the goal is to provide the preliminary report by Friday. He noted that the Task Force would then meet November 1.

General Counsel Cummings agreed that it is a good plan. She also asked if there is a proposed a new date for the final report.

Chairman Sims said that the preliminary report that will compile the material submitted to date as well as the ICJIA analysis. The task force will then re-convene in November and December to make any further recommendations.

Chairman Sims further noted that there will be no meeting on October 28. The meeting will occur on 11/1 at 1 pm.
