The Illinois Criminal Justice Information Authority is requesting proposals for law enforcement vehicle grants to be made with federal fiscal year 2008 Justice Assistance Grant funding.

Available funds: A total of \$460,766 is available to local law enforcement agencies that demonstrate both financial and vehicle needs. Grant funds may not be used for more than 75 percent of the total cost of the vehicle. The remaining 25 percent must be met through a cash match from non-federal sources.

Eligibility: Eligible applicants include units of local or county government on behalf of established law enforcement agencies. Not eligible for this funding are multi-jurisdictional units assembled to investigate or enforce laws related to major crimes, narcotics, or other criminal acts.
