SUPPLEMENTAL MEMORANDUM

TO: Budget Committee Members

FROM: Greg Stevens, Acting Associate Director, Federal and State Grants Unit

DATE: June 20, 2019

RE: State Program Appropriations:
SFY20 Violence Prevention and Street Intervention Programming

Illinois's SFY20 State budget includes \$12,000,000 for Violence Prevention and Street Intervention Programming (VP-SIP). Staff recommends that approximately \$10,800,000 be made available to support programming for related violence prevention activities. We anticipate that more than one Notice of Funding Opportunity (NOFO) will be let. One NOFO will be a maximum of \$2,250,000 for Metropolitan Family Services to conduct violence prevention activities within the City of Chicago. We anticipate that a [second](#) NOFO will be let in July 2019 with a start date during Quarter 2. Designations as a result of these NOFOs will be presented at a future Budget Committee meeting.

Available funds are anticipated to be:

- A maximum of \$4,500,000 for municipalities with a population of 1,000,000 or greater;
- A maximum of \$3,600,000 for municipalities with a population less than 1,000,000 in DuPage, Kane, Lake, McHenry, Will, and Cook Counties; and
- A maximum of \$2,700,000 for municipalities not in DuPage, Kane, Lake, McHenry, Will, and Cook Counties.
