PA Commission on Crime and Delinquency

PCCD is statutorily created as the Justice Planning Agency and State Administering Agency for Justice Assistance Funds.

The Commission is comprised of the heads of public safety, human services, legislative and local justice agencies.

PCCD facilitates the following Advisory Committees:

- **Victim Services Advisory Committee**
- **Juvenile Advisory Committee**
- **Public Safety Advisory Committee**
 - **County Systems Advisory Committee**
 - **Technology Workgroup**
 - **Local Systems Advisory Committee**
 - **Technology Workgroup**

PCCD works with the Governors Office to identify issues, develop policies, and program state and federal justice assistance funds in accordance with these policies.

Principles of Justice Integration Efforts

Vision

Understand your Community

State of the Commonwealth

- **1200 Municipalities**
- **Sixty-seven counties**
- **NO Department of Public Safety**
- **Executive, Legislative, and Judicial Branches**
- **12 Million People with and an aging population**
- **Very diverse state with very different problems – Philadelphia, Pittsburgh and Alabama in between**

Public Safety Challenges

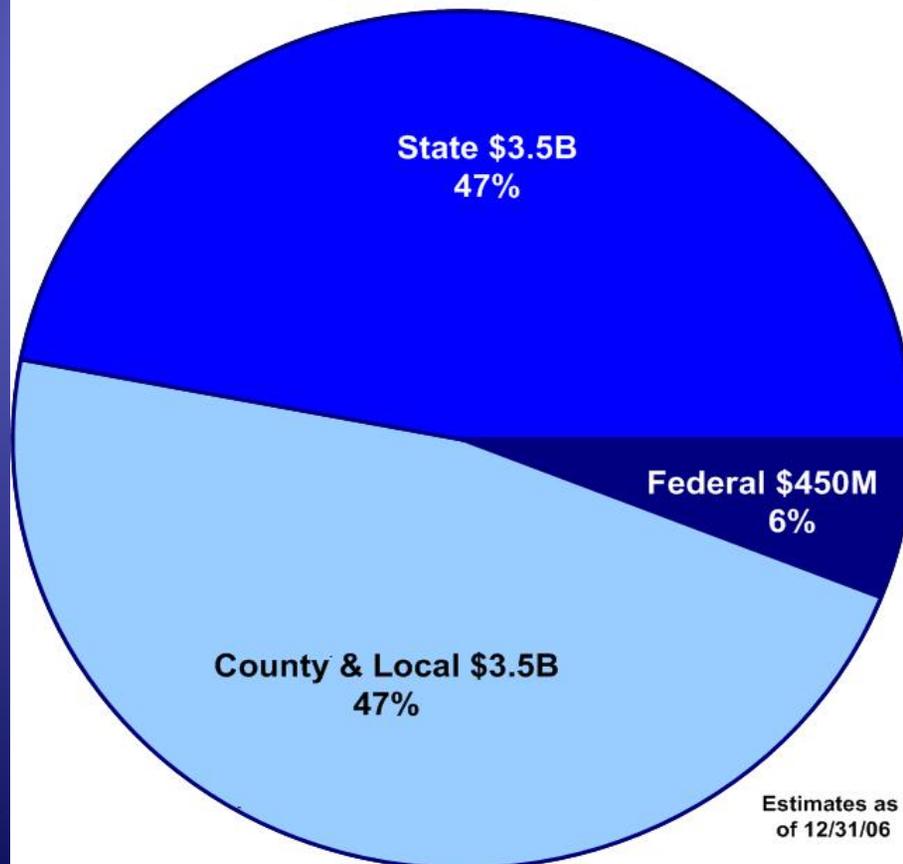

- Increase in violent crime
- Growing prison population and the cost of incarceration
- Public perception of a lack of safety
- On-going fragmentation of the justice system
- Justice system officials do not have the information they need to make informed decisions
- Shrinking resources
- The need for accountability of federal and state and county resources

Technology Challenges

- Many agencies, diverse functions and disjointed systems
- Highly visible and mission critical applications
- Interactive environment with large networks
- Common business functions with high integration needs
- Receptivity to new technology – retooling staff
- Mandated programs drive automation and integration
- Need for agencies to share information and integrate
- Increased pressure to improve services with fewer resources
- Incorporating use of legacy systems with contemporary technology

Plan Globally Implement Locally

CRIMINAL JUSTICE IN PENNSYLVANIA EXPENDITURES

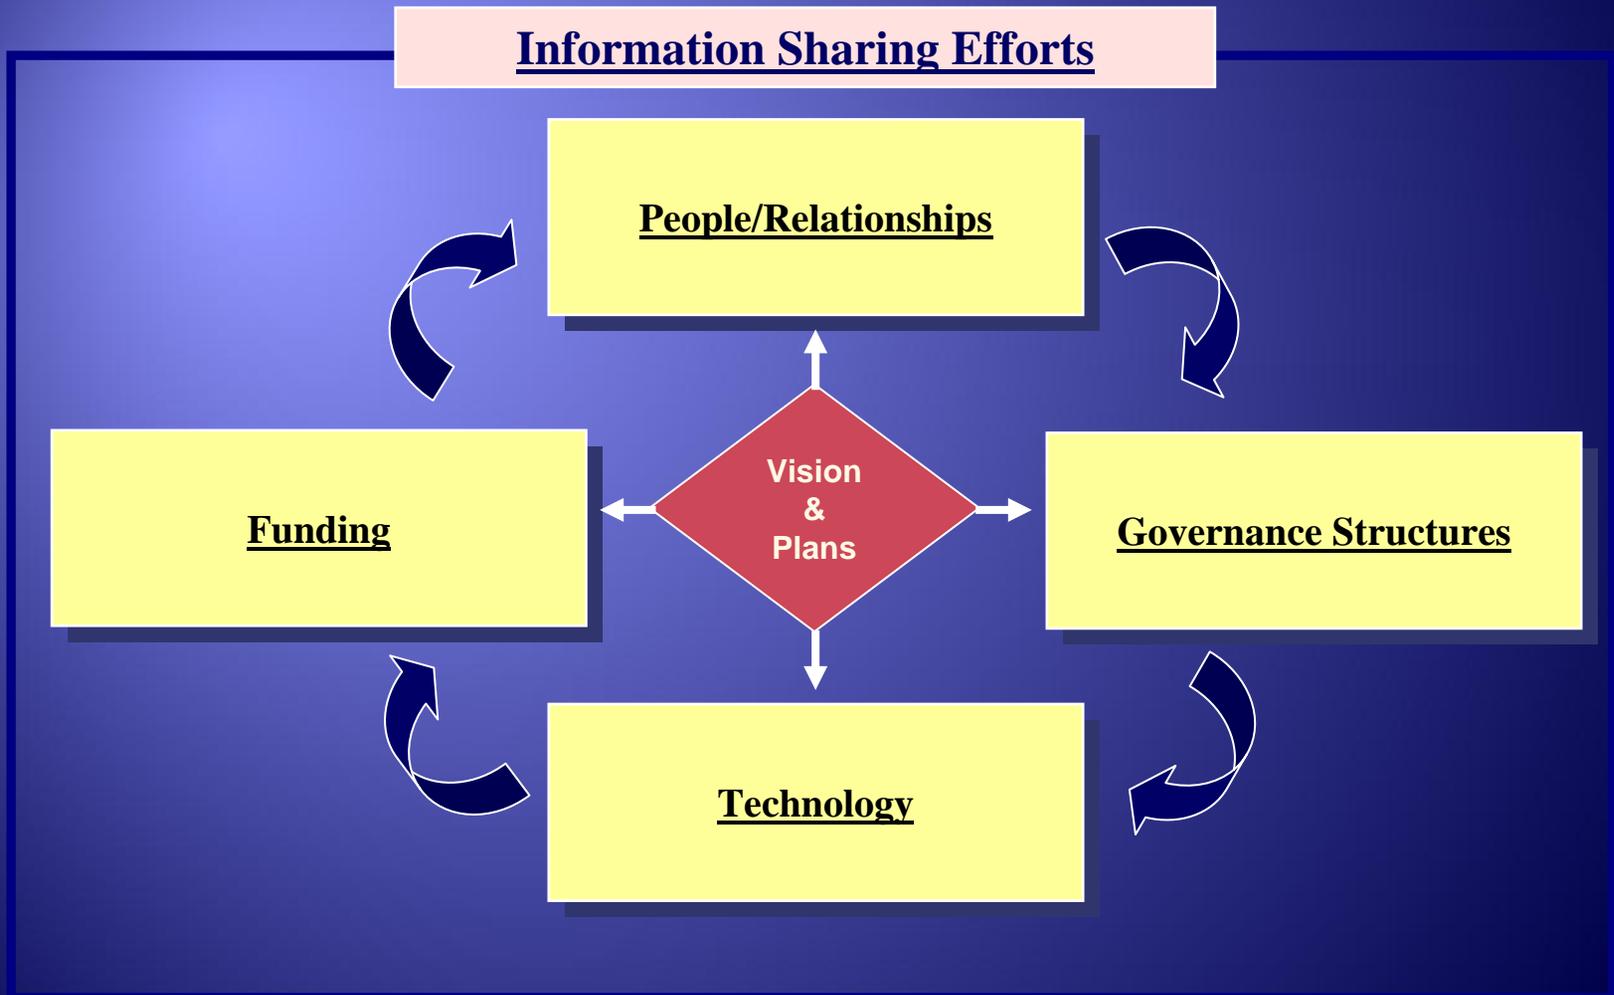

Counties justice expenditures are equal to that of the state at an estimated \$3.5 B annually. For a variety of reasons, they are least equipped to meet the challenges ahead.

Thus, OCJSI's focuses on assisting counties in addressing these challenges.

PA's Criminal Justice Realities

Criminal Justice Statistics in the Commonwealth		
	State	County/Local
Inmates	44,000	40,000
Probation/Parole	49,000	215,000
Police Officers	4548*	24,535

- Tools like JIEM for capturing document exchanges
- Evolving architectural standards – SOA, Web services
- JNET Applications
- JNET Notifications
- JNET Data exchange Capabilities – publish once use many
- JNET Hosted Applications – SGS Web, JTS, WebCPIN, Drivers License Photos, Drivers History Info

County Information Sharing Efforts

Work with cjobs to improve the accuracy, timeliness and completeness of justice data.

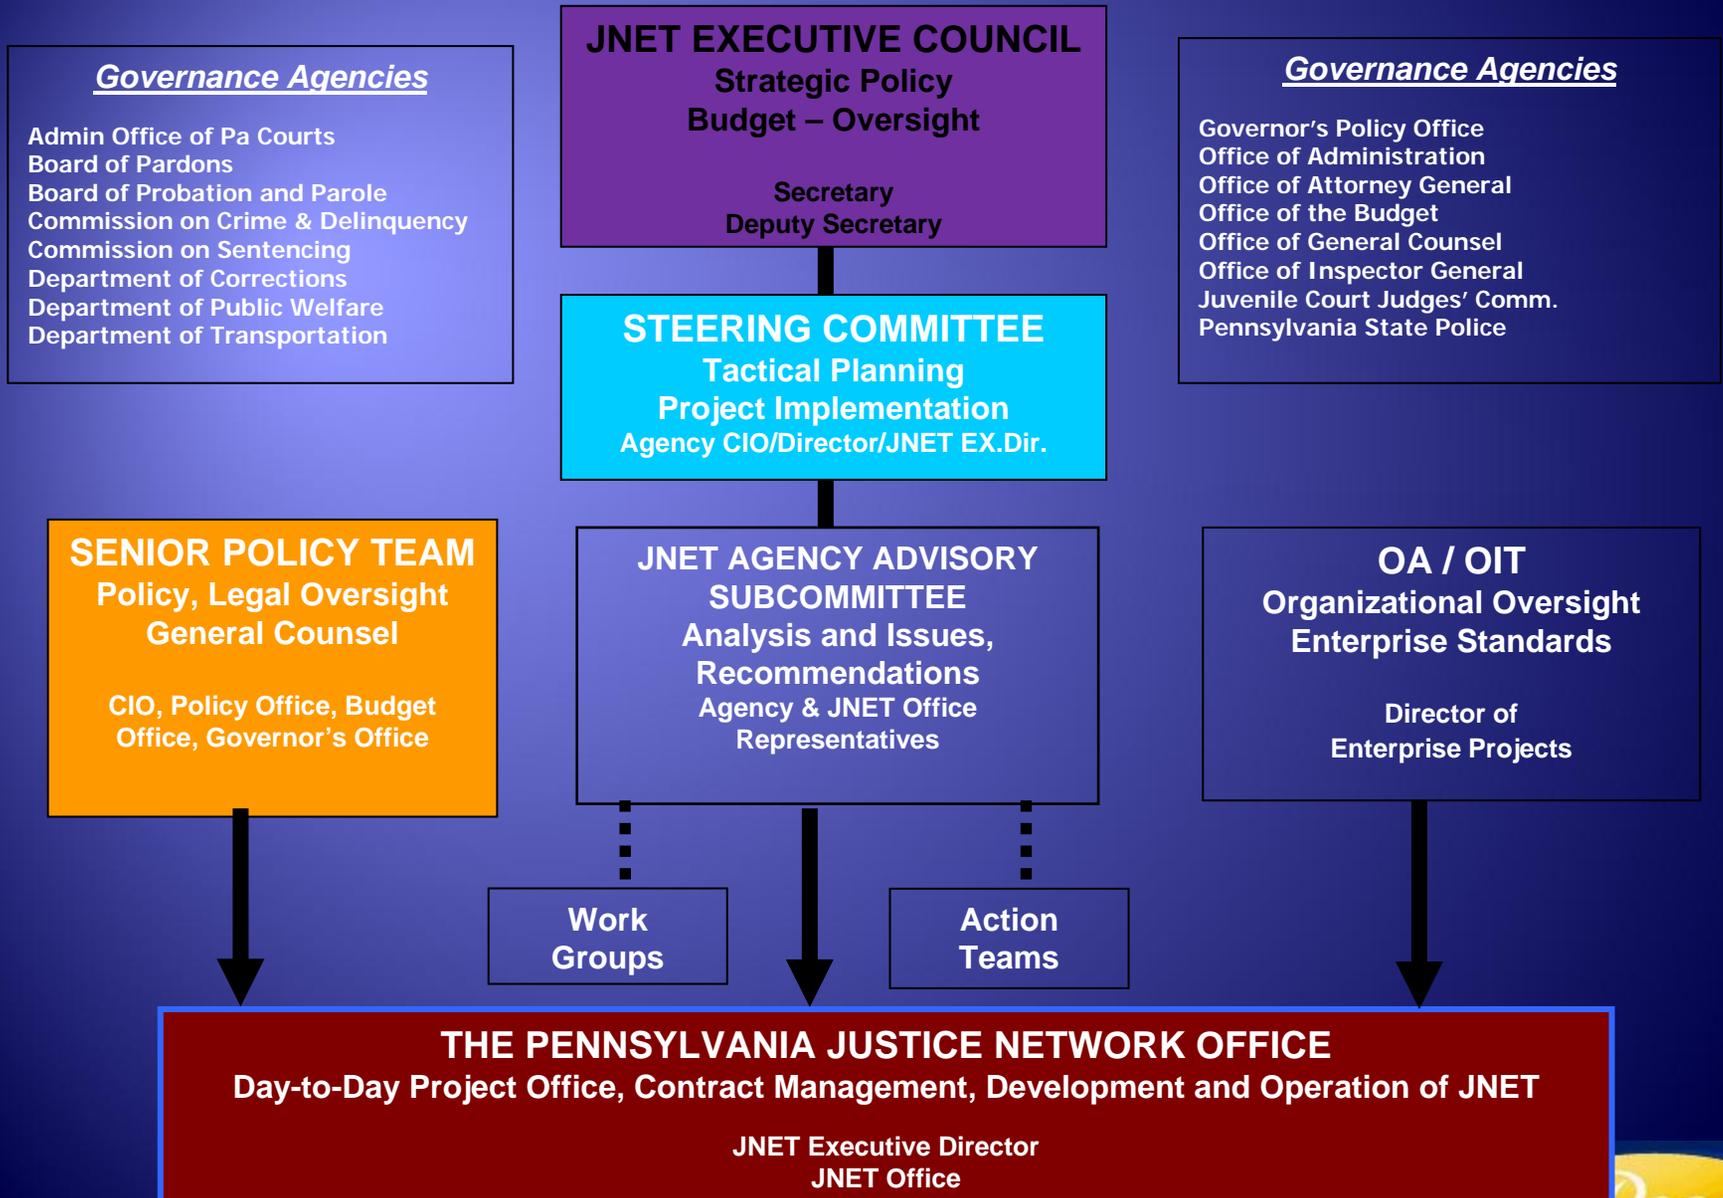

Build an intra-county integration model that leverages existing systems, technology standards and open source technologies.

Create a digital dashboard for county decision-makers that delivers timely and accurate information from operational databases. These dynamic reports will allow county executives to be proactive rather than reactive in managing the justice system.
