

# Category 1

## Law Enforcement-led Diversion and Deflection Models

# Category 1: Grant Range

<b>Deflection/Diversion</b>	
<b>Minimum</b>	\$30,000
<b>Maximum</b>	\$75,000

# Geographic Distribution

- Priority will be given to funding at least two projects in each of the five regions detailed on the state map in Attachment 1 (Appendix P) of the NOFO.
- Additional designations will be based on ranked application scores irrespective of state region.

## Program Requirements

Be a:

- Local law enforcement agency
- County sheriff's department
- A multi-jurisdictional cooperative law enforcement

# Program Requirements

- Have developed a plan to make potential clients and referral sources aware of the services available.
- Have a plan to coordinate program activities with community agencies in the service area, including:
  - substance abuse treatment,
  - medical care and supportive service providers, as well as
  - relevant government agencies.

# Resources: Diversion

- [Law Enforcement-Assisted Diversion](#) (King County, Washington)
- [Pre-Arrest Diversion-Adult Civil Citation program](#) (Leon County, Florida)

# Resources: Deflection

- [Law Enforcement Deflection Frameworks: A Decision Making Tool for Police Leaders Methods for Diverting People Away from Arrest and Into Services in the Community](#)
- Law enforcement-Assisted Addiction and Recovery Initiative (National program)
- [Hope Not Handcuffs](#) (Michigan)
- [A Way Out](#) (Lake County)
- [Connect for Life](#) (Naperville)

## Program Narrative

- Program Summary
- Statement of the Problem
- Project Implementation
- Goals, Objectives and Performance Indicators
- Project Management

# Program Summary

- Provide a clear, concise summary of the program that you are proposing
- Include the problems or needs to be addressed and the outcomes to be gained

## Statement of the Problem

- Description of Service Area
- Current Status
- Unmet Needs

# Description of Service Area

- List the geographic area to be served
- Provide the population total
- The urban/suburban/rural characteristics of the area to be served
- Other descriptive information relevant to the statement of need

# Current Status

Complete the data table using:

- [ICJIA website](#)
- ISP's [Crime in Illinois](#) report
- Other information may be available through local county health departments
- Explain the scope of drug and drug-related crime

## Unmet Needs

- Describe unmet needs in the area to be served.
- Describe how the services and programs available in the service area meet current needs.
- Why the jurisdiction lacks adequate resources to implement the program without JAG funding.

# Project Implementation

- Create reasonable steps for project development and operation of the program
- Include the agencies and potential grant funded staff positions responsible for each step.
- Use job titles: “police officer”, “program coordinator”, “social worker”
- Do not use names.

# Goals, Objectives and Performance Indicators

- Agencies may propose implementing a Deflection program, or Diversion program, or both.
- Complete chart(s) for the program(s) proposed for funding by filling in the information marked with **XX**.
- Additional objectives may be added as deemed appropriate for the program. They must be measurable and within the scope and goal of the program

# Project Management

- Describe how project success will be measured, how and when data will be collected and reported.
- Describe the plan for coordination and supervision of the project activities.
- Describe any potential barriers that you foresee and how they will be addressed.
- Discuss a plan to sustain the program when federal funding ends.

## Budget

- Budget Detail
- Budget Narrative

## Budget Detail

- Budget is complete
- Costs are allowable
- Costs are not supplanting
- Costs are reasonable
- Budgeted items are cost-effective in relation to the proposed activities

# Budget Narrative

- Narrative is complete for all line items, clearly detailing how you arrived at & calculated the budget amounts
- Narrative describes why each line item is necessary for program implementation
- Narrative does not describe supplanting.

# Remember

- Please add your answers (narrative) under each numbered question.
- Complete and sign the [Uniform State Grant Application](#) (submit as PDF)
- ICQ Approval is mandatory ([GATA Website](#))
- All applications will be screened for completeness

# Due Date

Tuesday, May 30, 2017  
11:59 p.m.
